

Year 5 - Autumn 1
Home learning menu

Write a fact file, recalling key facts and terms about the Benin Kingdom, including important dates.	Create a presentation explaining what the people of Benin religious beliefs were. Present this to someone at home.	Design and create your own solar system. Use materials found around the house to create your own solar system.
Imagine that you have visited one of the planets in the solar system (you decide). Write a diary entry describing your adventure – make sure you include some key facts about the planet of your choice.	Draw a picture of the different rooms in your house and label them in French.	Find 10 interesting facts about the solar system and create an informative poster.

You should complete at least 3 options from this menu. You can do more if you wish. You need to submit your completed home learning on or before Wednesday 14th October 2026.
