Wednesday		English	Phonics (KSI)		Maths			Music			
Thursday		English	Phonics (KSI)		Maths			<u>P.E</u>			
Friday		English	Phonics (KSI)		Maths			Art			

Phonics

In Year 2 we will continue to teach phonics until the October half term after which our focus will shift to learning and applying spelling patterns.

Phonics interventions will still take place.

Reading

- Children will transition from Year 1 to Year 2 and be selecting their own reading books.
- Once practised children will have the responsibility of changing their own reading books and can do this on any day.
- When ready children will move from phase books to colour bands.

Reading

- As children become more confident in phonics the focusing on decoding when reading will shift to a focus on comprehension.
- Developing comprehension and inference skills through questioning.
- It is crucial that children are reading regularly at home as they need the opportunity to practise skills they've learnt.
- Please leave a comment when you have heard your child read.
- Please make sure your child has their book and reading record in school every

Home learning

Year 1 and 2

Daily: reading (at least 10 minutes), spelling practice,

Weekly: at least 20 minutes using Numbots website or alternative maths task given by teacher

Home Learning Menu: At least 3 tasks to be completed over the course of a half term – chosen from The Home Learning Menu (parents might choose for their child to complete 3 or more of the tasks set.)

(The use of Timetables Rockstars website/app when directed in year 2)

Spellings will be given out on Fridays.

Homework books will be collected in every Wednesday.

Autumn 1- Home Learning Menu

Writing- Find out about a person in history who is famous for travelling. For example, this could be the first person to walk on the moon or the first woman to fly a plane. Write down some interesting facts to share.	Writing- Write clear instructions to tell someone how to catch a bus. What do you need to do first? What should you do next?	Writing- What is your favourite mode of transport? Write about why you enjoy travelling this way and where it could take you.
Creative- Using recyclable materials create your own transport model. You could make a scooter, bike, car, bus or plane. Be creative and think about what materials you will use!	Creative- Draw and label as many modes of transport as possible. How many can you think of?	Creative- Invent your own mode of transport to travel. Draw a picture of your invention and what it will include. You might think about: Where will you travel to? Will your mode of transport fly or hover? Will it have any special gadgets - maybe even a seat for your pet?

Library

Library day is on Mondays.

Please can borrowed books be returned every week.

Our History Topic – Autumn 1 Travel and Transport

Our topic for this half-term is Travel and Transport.

The children will have the chance to learn about how the invention of the wheel and the progress in transportation changed people's lives.

Maths

The children will be completing the 'Maths no Problem' scheme throughout the year. The areas we will be focusing on for this term are:

- Place Value
- Addition
- Subtraction
- Multiplication
- Division
- Multiplication and division facts 2, 5 and 10

Maths at Home

Measure

Time

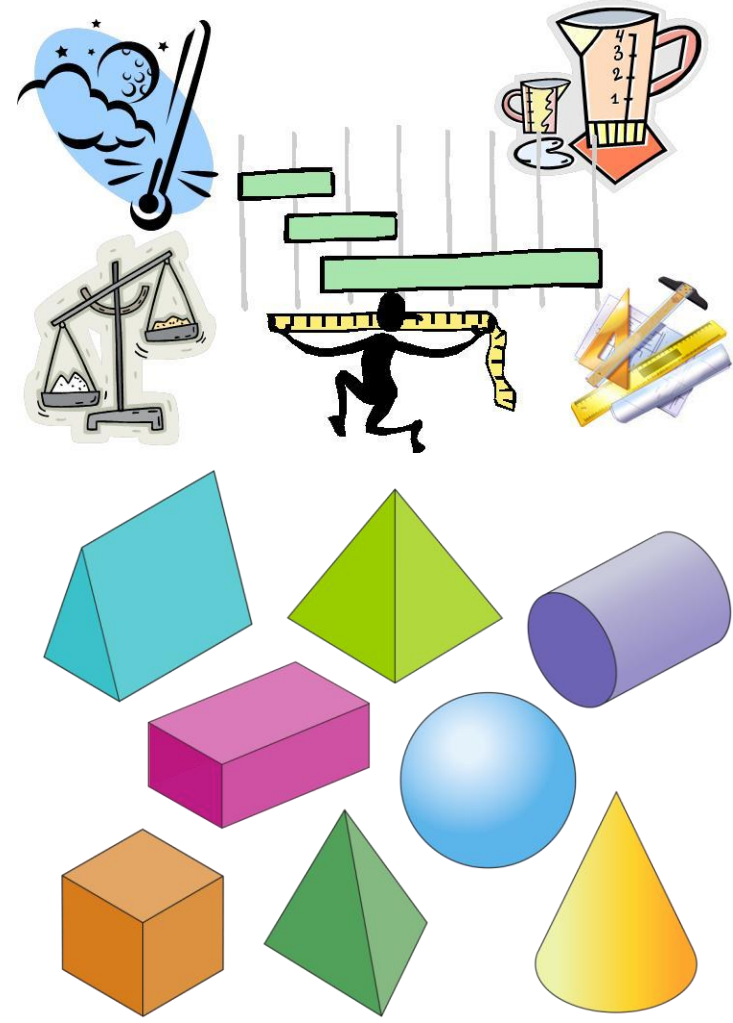

Weights

Using scales

Calendars

Shapes 2D and 3D

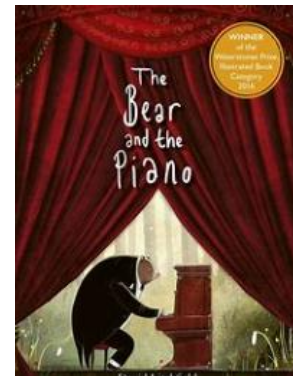

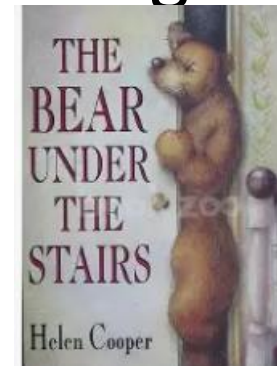

Telling the time

English – Literacy Tree

- Book-based approach of teaching English covering all Primary English National Curriculum requirements.
- Children will learn to write with a clear audience and purpose in mind.
- Each unit of work is approximately 3 weeks in length.
- This half-term our English will be based on:

Year 2 SATS

THPT schools **do not** undertake optional SATS in the summer term.

P.E.

- P.E. will take place twice each week.
- Our P.E. lessons will take place on a Monday and Thursday afternoon.
- Please ensure children come to school wearing appropriate PE kit, with **no earrings**.

Possessions

Please can children's belonging be labelled, especially cardigans and jumpers.

It would be best if any toys children wanted to bring in to play with were left at home.

School Grid Lunch Orders

- Please order children's meals in advance.
- Each morning, we will check that every child has a pre-ordered school lunch or packed lunch.
- If your children does not have a lunch provision for any reason, we will order a school meal for that day.

Carpet

Our new carpet had been ordered. Hopefully, this will be here around the October half term!

Thank you for helping to raise money!

PSA Volunteering

You are always welcome to contact me
zoe.golding@cuddington.thpt.org.uk

Feel free to come talk to me after school at the gate, but please wait until I have dismissed all the children.

Any questions?
